### Jack Lifting Pucks

- Fits all base C7, except Z06, GS, or ZR1
- A "must use" item before lifting your Corvette at home or at a shop
- Prevents cracking rocker panels
- Proven design works with jack stands, garage lifts and floor jacks
- Made of 1-1/8" thick urethane to clear the lips of almost every jack
- 1/4 Turn installation on metal twist nut
- Sold as a complete 4-piece set
- Limited lifetime manufacturer's warranty

Rocker panels are frequently broken on Corvettes for one simple reason: repair shops and at home enthusiasts jack up their C7 Corvettes under the frame without the aid of jack lifting pucks. Consequently they crack the rocker panels and the panels are left to flop in the breeze. Replacement and painting of the panels can easily run over \$200, however, by using our Corvette Jack Lifting Pucks you can eliminate this possibility altogether. Simply carry the pucks with you in the car and give them to the shop or use them before working on your car. The pucks were intended to be used on C7 Corvettes and simply twist into position with a 1/4 turn into your frame, it's as simple as that.

## RACE RAMPS

### Race Ramps Tire Flat Stoppers

- 6,000 Lb. Vehicle weight capacity
- Super light weight

Flat stoppers were developed as a solution for people having problems with tires developing flat spots when a vehicle is parked for those long winter storage. Once tires are set on flat stoppers (on a level surface), they settle into the pad's concave depression, which helps support more of the tire. This disperses the weight of the car more evenly onto the tire – helping to prevent any flat spotting. The pads measure 22.3" Long x 3.5" High x 14" wide, and will accommodate tires up to 12" wide.

**25-253707** <sup>Δ</sup> ..... **285.99** set

### Curb Alert Warning System

- Warns with an audible alarm
- Prevents embarrassing parking lot moments
- Sensor can mount in a discrete manner in the front end
- No drilling required
- Advanced infrared triangulation technology
- Warning distance is adjustable from 8-28"
- Alert sound volume can be set to high, low or mute

### Race Ramps Tire Cribs

- 10" Tall, 15" long, 12" wide
- Use with race ramps 56" long
- Special construction won't scratch or mark your floors
- Lightweight, easy to carry and maneuver
- Works on virtually any surface, including sand
- Unscotable! Won't slip or slide, no matter the surface

**25-308687** <sup>Δ</sup> ..... **115.49** pr.

### 56" Race Ramps

- Accommodates Corvette's low front end
- Accepts tires up to 10" wide
- 8" Tall x 12" wide x 56" long
- Holds 1500 lbs. Each
- 10.75° Incline
- Polystyrene 1-piece construction

Race ramps are ideal for the Corvette enthusiast. They allow you to get under your Corvette quickly, safely and without any frustrating hassles. Constructed in one solid piece, unlike many car ramps. Race ramps will not slide across your garage floor, dig into your asphalt driveway or scratch your painted floors. They will raise your Corvette 8" and you never have to worry about rust. Another beauty of race ramps for Corvette owners is that they will accommodate tires up to 10" in width. Race ramps are lightweight, easy to transport and they are supplied with straps for easy carrying and you can use the straps to hang them on the wall when you're done. So when you need vehicle ramps that will work for cars with low ground clearance front ends, turn to race ramps.

### Maxxa "Park Right®" Red Parking Mat

- Helps prevent damage to car and garage
- Clearly feel the perfect stopping position every time you pull into your garage
- Anti-skid tape prevents mat from moving

Park right™ parking mats are perfect for any garage, carport, or parking area where you want a quick and easy solution to help you park. These low-tech, easily installable parking mats are great parking aids that can be used just about anywhere! They feature double-sided tape to keep them in place, or you can use the provided mounting holes to hard mount the mats to a surface. Two bumps of different sizes first let you know you have reached the parking mat and then let you know you are in the right spot.

## Lowest Price Guarantee

Eckler's Guarantee is simple: You always get the best quality parts at the lowest price! Show us the identical item advertised in any current magazine, catalog, or website and we'll match our competitor's current price, guaranteed! This offer is available only at the time of purchase and applies to in-stock merchandise only. We can't combine this with any other offer. Tires, restoration services, kits, window glass, cores, reproduction batteries, certain engines, transmissions, used parts, special order parts, and shipping and handling charges are excluded.

## Find the Latest Prices on our Website

Prices in this catalog were correct at the time of printing but are subject to change. Visit Ecklers.com for the latest up-to-the-minute pricing as well as hundreds of items not appearing in this catalog. Eckler's is not responsible for pricing changes, errors, or omissions in this catalog or online. Prices are subject to change without notice.

## 100% Satisfaction Guaranteed

Our commitment to you: If for any reason you are not 100% satisfied with any of our products, return them for a full refund, credit or exchange—your choice.

## Best Parts, Best Price

This is not just a slogan! Eckler's is committed to providing the highest quality parts at the most competitive prices. We source and select all of our parts exclusively from the world's leading brand name manufacturers using our massive buying power. This means you get the best there is, at the best prices in the market today.

## Shipping and Handling

Check Ecklers.com for current shipping and handling estimates. In the catalog,  denotes items that ship via truck, and  denotes oversized dimensions or weight, which incur additional charges.
